

SKAGGS™

#1 IN UNIFORMS & EQUIPMENT

FYI

Did you know that each Law Enforcement weapon manufacturer recommend each officer's weapon should be disassembled and inspected by a factory armorer each year?

Skaggs is now offering Periodic Weapons Inspections by Certified Factory Armorer for:

Smith & Wesson®

Remington®

**Glock • SigSauer • Remington 870, 11-87, 700
Colt M-16, AR-15, Model O "1911"
Smith and Wesson • FNH family USP, FN303**

\$30.00 per weapon*

Each firearm will be cleaned and inspected to meet or exceed factory specifications. Inspections can be completed at Skaggs or at your location.

Please see your Skaggs Sales Representative anytime for additional information and other services available.

Armorer services provided by Lee Lindsey (Major retired), Jay Link and Chris Kishiyama

***Additional pricing for replacement parts.**
